**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a work from home employee of Cisco Systems, as such, reliable connectivity to remote systems is essential to my livelihood. Without Sonic in my neighborhood offering a high upload fiber solution in competition with Xfinity, I would have no way to manage the digital estate that's been entrusted to me when the cable is out.

This dual WAN solution is essential to my lifestyle, and I would likely need to revert to an expensive satellite setup in case broadband options were limited to one offering per market.
